Blackbird White Silk

designed by Christopher Smith

## EQUITY + PURITY

A cultured statement of clean symmetry, the STAINLESS LOOP TABLE LAMP carries the eye around, up, and down a series of continuous curves. Pared to its essence, the lamp can spread the warm light of its wood veneer shade across a console table, end table, or any other refined, elevated surface. Shown with a maple veneer shade and in our standard metal finish, mirror polished stainless steel.
